The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-844-8392. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.dol.gov/ebsa/healthreform</u> or call 1-800-844-8392 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	<b>\$750</b> /individual, <b>\$2,250</b> /family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes. Contract and out-of-area <u>provider</u> office visits, online visit, <u>emergency room care</u> for an <u>emergency medical condition</u> , contract <u>provider preventive care</u> , adult physical exam benefit with non- contract <u>providers</u> , <u>preventive care</u> for children with an out-of-area <u>provider</u> , outpatient <u>prescription drugs</u> , dental and vision expenses.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u>
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	The medical <u>coinsurance</u> maximum for contract <u>providers</u> is \$3,000/individual. The out-of-pocket limit for cost sharing for contract <u>providers</u> (includes copays and coinsurance) is \$5,275/individual; \$10,550/family. The <u>out-of-pocket limit</u> for in- <u>network</u> outpatient <u>prescription drugs</u> is \$1,875/individual, \$3,750/family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket</u> <u>limit</u> ?	Medical <u>out-of-pocket limit</u> does not include <u>premiums</u> , <u>balance-billing</u> charges, penalties for failure to obtain <u>preauthorization</u> , outpatient <u>prescription drugs</u> , dental/ vision expenses, non-contract <u>provider cost</u> <u>sharing</u> (except for <u>emergency room care</u> for an <u>emergency medical</u> <u>condition</u> ) and health care this <u>plan</u> doesn't cover. <u>Prescription drug</u> <u>out-of-pocket limit</u> (in- <u>network</u> ) does not include <u>premiums</u> , <u>balance-billing</u> charges, amounts over generic equivalent cost if you choose a brand drug when a generic is available, medical expenses, dental/ vision expenses, out-of- <u>network</u> pharmacy expenses, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See <u>www.anthem.com/ca</u> or call 1-800-844-8392 for a list of contract <u>providers</u> in California. For a list of Blue Card contract <u>providers</u> outside of California, see <u>www.bluecares.com</u> or call 1-800-810-2583. For a list of chemical dependency <u>providers</u> , call Assistance & Recovery Program (ARP) at 1-800-562-3277.	You pay the least if you use a contract <u>provider</u> . You pay more if you use an out-of-area <u>provider</u> . You will pay the most if you use a non-contract <u>provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **<u>copayment</u>** and <u>**coinsurance**</u> costs shown in this chart are after your <u>**deductible**</u> has been met, if a <u>**deductible**</u> applies.
